

REMARKS

The purpose of this amendment is to correct an inadvertent and obvious error in Claim 25. Thus, in the amendment filed December 21, 2001, the term "polymerization inhibitor" was mistakenly inserted at the end of Claim 25 in place of the intended term "polymerization initiator". That the latter term is the correct one is indicated by its occurrence in the specification, for example, on page 9, lines 3-6 and original Claims 16-20. On the other hand, the term "polymerization inhibitor" does not appear at all in the specification.

We believe no additional fees are warranted; however, if deemed necessary, please charge these fees to our Deposit Account No. 50-0935.

Respectfully submitted,
